Dear Educators:

The Michigan Rural Water Association would like to extend an excellent opportunity for your students to express their ideas, gain insight into the importance of water conservation and a clean water supply and possibly win cash prizes for themselves and your school.

MRWA is sponsoring a video contest for Michigan High School Students. The goal is to create public awareness on the topics of Water Conservation or Watershed Protection. Each team is encouraged to include their local water and/or wastewater utility in their video if that is possible at this time. Each team must have a sponsoring teacher and while any teacher can serve as a sponsor, this is ideal for those who work with environmental science, media technology or communications. **There is a 10 video limit per school. Sponsoring teachers should coordinate and select their top 10 videos for submission.**

There is a Grand Prize of \$1,500.00 to be awarded to the sponsoring teacher/department as well as \$250.00 gift card to each student of the winning team. There is a limit of four students per team.

The winner will be notified by March 4, 2022 and will be invited to attend MRWA's Annual Management and Technical Conference to receive their prizes.

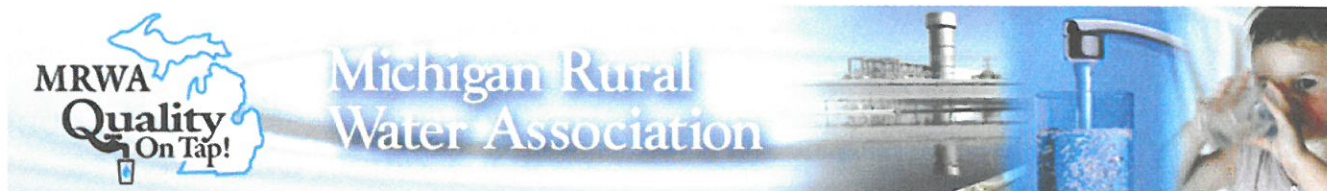

All we ask of you is to please:

- **Announce the MRWA Video Contest to your students and teachers and**
- **Post the information where students will see it**

Thank you for your assistance. If you have any questions, please call our office at 517-657-2601 or send an email to membersvcs@mrwa.net.

Sincerely,

Tim Neumann
Executive Director

2022 Michigan Rural Water Association Video Contest

Win \$1,500 for your school and a \$250 gift card each Member of your team.

Video Contest Details:

- Open to 9th-12th grade students in any accredited high school in Michigan

Michigan Rural Water Association Video Contest Official Rules

The Challenge – Create a video up to 45 seconds long based on one of the following themes. (1) Water Conservation or (2) Watershed Protection. *At either the beginning or end of the video, you must include the school name and the FIRST NAME ONLY of each student who worked on the video. This introduction or ending does not count toward the 45 second limit.*

Who's Eligible – The contest is open to students in Michigan in grades 9 - 12, individually or as a group entry of no more than **four** students. An individual teacher representing a specific department within your school must sponsor entries.

LIMIT OF 10 VIDEOS PER SCHOOL.

The Sponsoring Teacher – The sponsor's role is to encourage students' participation and provide general guidance in how to plan a video and enter the contest – not developing the creative concept or executing the video. Any teacher can serve as the sponsor, but this is ideal for those who work with environmental science, media technology, English or communications. If a science teacher wants to work with media technologies teacher to co-sponsor, that's great – they just need to split the \$1,500 award if their student(s) win the contest.

The Timeframe – Michigan Rural Water Association must receive submitted videos by **January 14, 2022**

The Awards – The winning entry will receive: \$1,500 paid directly to the school's sponsoring teacher/department and a \$250 gift card to each student team member. (Limit of 4 students per video)

The Fame – Winning entry will be showcased online at www.mrwa.net and at the MRWA Management & Technical Conference in March 2022. Winning students and sponsoring teachers will be invited to attend the MRWA Conference for an awards event.

Judging – MRWA Conference and Awards Committee will conduct judging. Entries will be judged on creativity, effective communication, quality of execution and compliance with contest rules.

The Winners – Winners will be notified by March 4, 2022. Only the winners will be notified.
